

FY 2010 INTERCITY BUS SECURITY GRANT PROGRAM (IBSGP)

Vulnerability Assessment and Security Plan Certification Statement

If an operator already has a current (updated within the last three years) vulnerability assessment and security plan and wishes to apply for other projects, they must certify as such using this certification statement.

Operators that have already completed vulnerability assessments and developed security plans can use the below statement as their certification, and submit it as part of their grant application. Applicants are required to submit their vulnerability assessments and security plans to DHS upon request.

I, [insert name], as [insert title] of [insert name of bus company], certify that a vulnerability assessment has been completed and a security evaluation preparedness plan has been developed or updated for my company within the last three years.
